Decision: Approved

Lakeshore Rx Solutions, on behalf of Lakeshore Health Plan, has **approved** the prior authorization request for **vedolizumab SC pen 108 mg, 2 per 28 days**, valid **10/09/2026 to 04/08/2027**.

Dispense through the Lakeshore Rx specialty network. Claims from pharmacies outside the specialty network will reject. Pharmacies may submit claims with the authorization number above. The quantity limit in policy section 6 applies to every fill.

Continued coverage after 04/08/2027 requires a renewal request with documentation of clinical response (policy section 5). Submit the renewal up to 30 days before the end date.

This approval covers the pharmacy benefit only. Intravenous doses are reviewed separately under the medical benefit.

Approval does not guarantee payment. Payment depends on the member's eligibility and benefits on the date of service.
